

About Us

Throughout time, the creation of a monument has been the most permanent form of remembrance.

When the time comes to commemorate the life of someone very special, or perhaps to plan for yourself, allow our expertise and creativity to assist you. Quality workmanship from people who care, has allowed Patten Monument Company to serve families for generations.

CUSTOM SHAPED memorials can also be manufactured, such as this heart shaped monument.

We also have a wide range of different colored granites available to choose from.

Portrait Etching

Portraits are the ultimate in personalization. By using the laser reproduction process, a loved one's portrait can be permanently etched onto the face in black granite. Another portrait option is to etch on a thin black granite tile and inset this flush into the face of any memorial color.
